38-position household electrical distribution box

Overview

This enclosure box is rated as a Type 1 with removable blank end walls at both ends. This IP54 distribution box offers the ability to terminate 8 fibers housed in a robust ABS enclosure for indoor and outdoor applications. NQ and NF Panelboards are versatile panelboards that feature a wide selection of circuit breakers, accessories, and ready to install kits. Finally, choose safety devices like RCBOs and Surge Protection Devices (SPD) for the best protection against faults and lightning.
