## Why are euro-rack / modular cases so expensive?

Why are euro-rack / modular cases so expensive? 2016-12-14T14:11:42+00:00 Why are the basic cases priced at 2 - 4 hundred pounds. I don't really get how they are any more than racks

## Are Modular Synths Too Expensive? And What Is "Too"

There is a lot that goes into the making of a Eurorack module, from design to manufacturing to promotion. From the get-go, though, you're looking at

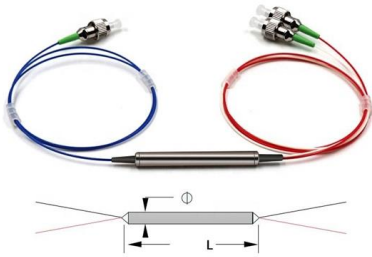

## Best Eurorack modules: essential oscillators, filters,

And with so many variations on the same basic module types, who can blame them for not knowing which are, in fact, the best Eurorack modules?

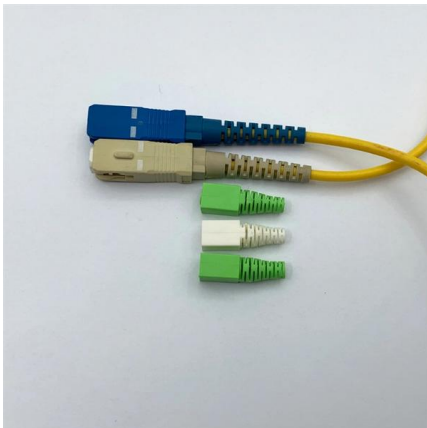

## Modular buildings

The modules can be used as independent buildings, additions to existing buildings, or superstructures on existing buildings. Depending on needs, the modular

## Why is modular so expensive? : r/modular

So I absolutely love my modular rig but ive been noticing that a lot of semi modular or desktop synths are a TON cheaper for what you are getting. I recently got an Erica Synths DB 01 for 500 and I
