Do dark-colored cabinets look good with baseboards

Overview

Dark cabinets and crown molding can make the room look top-heavy and smaller. Kitchen Cabinets Don't Match Trim?

Cabinets that don't match trim are not a major cause for concern, according to Expert Home Report. Get ready to change your kitchen into a space you'll love spending time in! Before choosing any paint colors or design elements, it's. Tongue and groove baseboards achieve the look of a flush base, while purposefully larger baseboards increase an interior's height and proportion, making for a standout presence.
