Estonia Straight-through Bridge

Overview

The Vaksali pedestrian bridge and underpasses in Tartu, Estonia's second-largest town, have been shortlisted for the 2024 European Union Prize for Contemporary Architecture, the Mies van der Rohe Award. Things to do ranked using Tripadvisor data including reviews, ratings, number of page views, and user location. Viljandi Rope Bridge Nothing interesting on the other side, the bridge itself is fun for a quick stop. Welcome to Põltsamaa – a paradise of bridges and islets! Small, but with a special soul, Põltsamaa is like a hidden gem in the middle of Estonia. This morning, a 140-meter-long and nearly 1,200-ton steel arch structure began its journey across the Pärnu River. "To this day, it's not entirely clear how the stones, weighing from a few tons to several dozen tons, were moved during the construction of the Cheops Pyramid over four thousand years. Nestled among the enchanting castle hills of Viljandi, there's a charming bridge with a story as intriguing as its surroundings.
