Free consultation on fireproof cable trays

Overview

Call FireResistant Solutions today to request a consultation or speak with a specialist. These systems prevent fire and smoke from spreading through open cable pathways, maintaining circuit integrity and code. Do you have questions on fire protection solutions for cables and cable trays?

Please contact us. Meka Pro's manufacturer assurance is based on tests that are carried out, not just on simulation. Basor Electric, sensitive to the need to minimize the consequences of a fire, has subjected its cable trays to rigorous fire resistance tests to ensure the behavior of its products.
