# **Household safety socket distribution box**

## Overview

---

To choose a home distribution box, you must count your circuits and add 30% spare space. **SAFE AND RELIABLE:** This power outlet box comes with 4 NEMA 5-20 IP44 waterproof sockets. Each socket is protected by a circuit breaker to ensure the safety of the electrical equipment used in each socket. A distribution box, also known as a power distribution box or electrical distribution box, is used to distribute electrical power safely to multiple circuits.
