Lithuania sells fiber optic cables at high prices

Overview

The average export price for optical fiber cables surged to \$34,193 per ton in 2024, representing an increase of 57% compared to the previous year. Despite a negative CAGR and a significant decline in growth rate from 2023 to 2024, Lithuania's fiber optics cable import market saw top shipments from Estonia, China, Poland, Spain, and Germany in 2024. The market remained moderately concentrated with a stable Herfindahl-Hirschman Index (HHI). The company offers bare metal cloud networking services that enable swift and secure data transferring, which is essential for applications utilizing fiber optic cables. Volza's Big Data technology scans over 2 billion import shipments on over 20 parameters to Buyers who are a perfect match and most likely to work with you.
