

Adam Tas Corridor Energy

Malawi Speed Fiber Cable

Overview

We provide nationwide coverage with enhanced security, scalability, and built-in redundancy for reliable, high-speed service across Malawi. Enhanced Coverage: Network reaching all parts of the country with metro rings in 10 districts and access rings in the 4 major cities. A key driver of that transformation is the 7,000-kilometre fibre backbone operated by the Electricity Supply Corporation of. The project is going to be financed through a soft loan from China Exim Bank and will be implemented by Huawei Technologies. Malawi Fiber Optic Cable market currently, in 2023, has witnessed an HHI of 9355, Which has increased moderately as compared to the HHI of 4181 in 2017.
