# **Manufacturer of Smart Distribution Boxes for Southern European Residences**

## Overview

---

Here are six brands that are great in 2025: Schneider Electric uses smart technology for better control. Our flexible distribution boxes enable reliable, decentralised signal transmission and power transmission up to protection class IP67 - wherever passive distribution boxes are required. Polyester weatherproof enclosures suitable for any type of application: electricity, telecommunications, water and gas. Many European companies also source from OEM & ODM smart control panel suppliers, allowing them to: Customize hardware (screen size, casing design, processor). If necessary, we provide the customer with the justification and transparency of costs.
