Middle East Fiber Optic Splice Box Manufacturer

Overview

MEFC manufactures and supplies all types of fiber optic accessories, including single-mode, multi-mode and angled fiber connectors, for use in FTTX, Gpon and Epon applications, and telecommunication, CATV and LAN networks. (MEFC) is a Saudi-Japanese (Fujikura) partnership located in Riyadh, Saudi Arabia. Naficon Fiber Optic Manufacturing LLC in Dubai, UAE serves as a major Manufacturing and Supply Centre in the Middle East. NFOM is an ISO9001 certified company and has established itself as a go-to choice for all Fiber Optic products in the region. D-CONNECT Fiber Optic Splice Closures and Cabinets deliver secure, IP68-rated protection and reliable performance for optical fiber networks in Outside Plant (OSP) environments. Built for durability, capacity, and ease of installation, our solutions ensure optimal fiber management across FTTH. Light weight, high mechanical strength, anti-aging, strong corrosion resistance, lightning resistance, and long service life.
