Motor parts and industrial switches

Overview

Shop industrial electric motor control products, components & accessories for AC and DC motors, like soft starters, contactors, relays, DIN rail terminal blocks & terminal strips, disconnect terminals, ground clamps, distribution blocks, cord & cable, programmable. Inform is a condition-monitoring technology that enables Leviton devices to provide real-time data to the end-user, improving safety, efficiency, and productivity. Inform can easily be integrated with other IIoT and predictive maintenance solutions, enabling smarter, safer facilities. Electric Motor Wholesale is your one-stop-shop for factory and OEM replacement motor parts and accessories from top brands like Baldor/ABB, LEESON, Marathon, and WEG. Explore a wide range of low- and medium-voltage motor controllers, motor starters, contactors, soft starters and motor control centers that meet NEMA and IEC standards. Demanding manufacturing, processing and commercial environments rely on Allen-Bradley® motor control products. Choose from our selection of motor switches, including over 900 products in a wide range of styles and sizes.
