Overview

Designed for use in industrial applications, the RODWV- series are wall-mounting, 19 inch, steel rack cabinets, offering sealing to IP55, for deployment in open areas subjected to falling dirt and wind-blown dust particles, rain, snow or splashing water. An outdoor server rack or patch cabinet is a 19-inch cabinet that has four 19-inch mounting profiles. In these profiles, you directly attach 19-inch network equipment, such as a rack server, patch panel, switch or ups. Thanks to its IP55 rating, robust metal enclosure and active ventilation, this server cabinet provides optimal protection and reliability in demanding.
