Surface-mounted 32-circuit distribution box

Overview

This industrial surface box can accommodate CETAC, Schuko or similar sockets as well as protection elements, differentials and magnetothermics. The 32 A and 16 A construction site power distributor is pre-wired and ready for connection. The distribution box also includes a PG16 cable gland

Distribution box: Only one supply line, fewer drill holes, less cables. In addition to the size and the modules that can be integrated per DIN rail, other factors are decisive. Surface-mounted socket Box, 685x330x155mm, made of halogen-free, UV-stable ABS, with IP65 protection class. Featuring a robust metal enclosure, this panel ensures durability, safety, efficient circuit management.
