Venezuelan Dual-Port Information Panel Flame- Retardant Installation Solution

Overview

[COMPREHENSIVE PACKAGE] - Includes 1 flame-retardant and high-temperature-resistant network information panel, featuring single or dual ports with a 90-degree Cat6a module for stable connectivity. We integrate the development and research, production and sale of copper system, fiber optic system and cable assembly. Plug In In French|French Wall Socket|Flame-Retardant PC Panel:Crafted with new flame-retardant PC, this socket offers superior safety and durability. Supplier highlights: This supplier mainly exports to the United States, UAE, and Bahrain.
