Which is more expensive cable trays or cable covers

Overview

Cost: Cable trays generally offer a better cost-to-performance ratio, with lower installation costs and fewer labor requirements. Let's look at cable trays the way buyers eventually do: through total spend, not unit price. Joe quickly realized the difference between spending 15 EUR/meter on rigid conduit versus 9 EUR/meter on cable trays would mean thousands of euros saved on the project – but only if installation complexity didn't add hidden costs.

Which is more expensive cable trays or cable covers
